

HELPING YOU MAKE THE MOST OF YOUR HOLIDAY

TRAVEL ARRANGEMENTS FOR COACH HOLIDAYS AND RIVER CRUISES

FREE LOCAL JOINING POINTS

These holidays, to destinations in Britain and Europe, feature more than 230 (145 for departure area C) convenient local joining points across Southern England, East Anglia and the South East, the Midlands, London and the Home Counties.

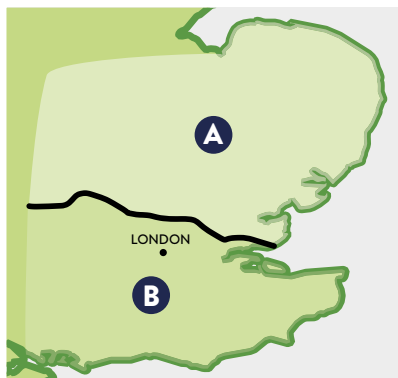

We are constantly reviewing our system to ensure that you join your tour coach as swiftly and directly as possible and spend as much time as possible enjoying your holiday. So, whilst the first and last days of your holiday are largely spent travelling, we have now divided our pick-up area into two distinct zones for UK and Ireland holidays. This will shorten journey times and mean that you will join your tour coach, and arrive at your chosen destination, earlier.

OUR FREE SERVICE INCLUDES

- > A choice of more than 230 local Joining Points (145 for departure code C)
- > Free luggage handling
- > North and South area interchanges to reduce unnecessary mileage wherever possible

The following map indicates the areas A and B that we will utilise. For the complete list of departure points, relevant area and estimated pick-up times please see the following pages.

For European holidays and river cruises please refer to area C times. Area C simply covers all of our Southern, East Anglian and South Eastern pick up area.

WHEN YOU TRAVEL FROM AREA A:

Holidays with Departure Area A

Join your tour coach at our interchange area at Northampton Services on the M1, at junction 15A.

WHEN YOU TRAVEL FROM AREA B:

Holidays with Departure Area B

Join your tour coach at our interchange area at Beaconsfield Services, M40, junction 2.

WHEN YOU TRAVEL ON OUR CONTINENTAL COACH & RIVER CRUISE HOLIDAYS

Holidays with Departure Area C

On most continental coach and river cruise holidays you join your tour coach at our interchange area at Maidstone Services on the M20, at junction 8.

RESTRICTED DEPARTURE POINTS AND TIME VARIATIONS

For operational reasons some tours are routed more locally and this may mean, in some cases, that the number of departure points are restricted. Times indicated on pages 113-115 are for guidance purposes and can often vary by up to two hours.

If you have any questions or queries about your travel arrangements please call our travel operations team on 01603 886750 or see your local appointed travel agent.

CLAIM YOUR £25 DISCOUNT

Depending on where you live, and where you are travelling, it may be more convenient for you to join your coach holiday directly at your chosen resort, interchange area or seaport in order to avoid unnecessary travelling. If you wish to choose this option you must state this at the time of booking and we will deduct £25 per person from the cost of your holiday by coach.

WE HANDLE YOUR LUGGAGE

At all interchange areas there are baggage handlers on duty to handle your luggage, and information personnel and interchange controllers on hand to help and advise you if you have any queries. For security reasons you are responsible for your own luggage at airports and some seaports - although trolleys are usually available. On all train holidays portage is supplied from hotel reception to and from your bedroom, but this service is not available at any other time.

RESERVED COACH SEATS

You have the opportunity to choose the coach seat of your choice which is yours from the moment you join your tour coach at the interchange. Seat numbers are not allocated on regional transfer services, Mystery Tours, Lucky Dip Holidays and Channel Islands Holidays or on river cruise excursions operated by CroisiEurope. In most cases on standard coaches equipped with a rear mounted WC, seats 23 and 24 move to the driver's side of the vehicle, whilst seats 45 and 46 move one seat forward of the rear seat.

Please note that smoking is not permitted on coaches, this includes the use of substitute tobacco and nicotine products such as e-cigarettes.
